16 March 1951

OPERATIONAL MEMORANDUM  
NO. 551-5

SUBJECT: Annual Report on Broadcast Characteristics

Transmitted herewith is the first of a series of FBID Information Reports comprising material assembled in Bureau annual reports on characteristics of foreign broadcasting stations. It is suggested that this series be retained in file for reference in the compilation of future annual reports, which it is tentatively planned need include only information supplementary to that of the 1950 reports.
